

PDF TUTOR!

By David Allan

INSTRUCTIONS

Dear User,

Welcome to the Interactive PDF Application. This platform allows you to upload your own PDF documents and interact with them seamlessly.

How to get started

1. Upload Your PDF:

Click the "Upload PDF" button to select and upload your desired PDF document. Once uploaded, your PDF will be displayed on this viewer.

1. Interact with Your PDF:

On the right-hand side, you'll find a chat window. Start by typing your questions or comments related to the PDF content in the chat window, and the application will assist you accordingly.
